GOODMAN & BRO.,

No. 33 West Centre street, Shenandoah, Pa.

Will Open Saturday.

The new picnic grounds at Sadler's Grove, below Wm. Penn, will be opened by the Grant Band on Saturday, July 16th. The picnic will be conducted on a grand scale and will be a genuine musical affair. The electric cars will run to the place and the grounds will be illuminated by electricity. The famous Schoppe orchestra, the best in the county, will be on hand to furnish dancing music. Arrangements will be made to maintain perfect order and nothing will be allowed to mar the pleasure of the patrons. Refreshments of all kinds will be served in abundance and at reasonable prices. The electric cars will run to the grounds every fifteen minutes.

Children's Eyes.

Children have various complaints of the eye, some of which require glasses. When a child holds his book conspicuously near when he has difficulty in seeing letters and figures on the blackboard at school; when he complains of his eyes hurting and of headaches, have his eyes examined and the trouble corrected, and let him grow up in the comfort of perfect vision. If a child sees better or with more comfort with glasses, he should wear them and to say he is "too young to wear glasses" is just as reasonable as to contend that he is too young to have a fever or toothache. The famous oculists and opticians, Queen & Co., of Philadelphia, send their Eye Specialist to Shenandoah, Wednesday, July 20th, at the Ferguson House. It will cost you nothing to determine if glasses will improve vision, as the examination is without charge.

Headache and Dyspepsia.

William E. Rockwell, No. 512 West 57th street New York, says: "I have been a martyr to bilious headache and dyspepsia. Any indiscretion in diet, overfatigue or cold, brings on a fit of indigestion, followed by a headache lasting two or three days at a time. I think I must have tried over twenty different remedies, which were recommended as certain cures by loving friends, but it was no use. At last I thought I would take a simple course of purgation with Brandreth's Pills. For the first week I took two pills every night, then one pill for thirty nights; in that time I gained three pounds in weight, and never had an ache or pain since."

Disease in one part of the body will eventually fill the whole body with disease. Every year or two some part of the system grows weak and begins to decay. Such part should be removed at once, and new matter be allowed to take its place. There's no need of cutting it out with a surgeon's scalpel. Purge away the old, diseased and worn-out parts with Brandreth's Pills.

Fruit jars and jelly glasses, cheaper than elsewhere, at the Ready Pay store.

THE CAMP MEETING.

Arrangements for the Grand Gathering at Lakeside.

The arrangements for the camp meeting to be held at Lakeside for one week beginning Tuesday, July 19, under the auspices of the Pottsville district, Evangelical Association, are now complete. The meetings will be in charge of Rev. D. A. Medlar, presiding elder. Tents will be erected on the grounds and rented as follows: 12x12 without floor, \$3; with floor, \$3.50; with floor and bunk, \$3.75. Children's services will be held every day. At an appropriate season a special service will be held in the interests of the Christian Endeavor Society and it is expected Bishop Haman will be present. Boarding can be had on the grounds at the following rates: Season tickets, 25 meals, \$4. Day tickets, 50 cents. Breakfast and supper, each, 25 cents. Dinner tickets, 40 cents. Children under 5 years free. Children from 5 to 12 half price. Excursion tickets will be sold by the Reading R. R. Co. from Pottsville, Port Carbon, Tamaqua, Shamokin and intermediate points. All orders for tents should be addressed to Rev. B. H. Miller, Mahanoy City.

DROPS OF WATER

And Stone Crusher Fruit Plucked From the Streets.

If the new brewery is to be built on the strength of the new water works there will be no brewery.

The joint committee on new water works will have a nice bill to pay on account of its arbitrary and ignorant actions. Had the joint committee listened to the HERALD an extra election would not have been necessary and the Council would not have been flooded with bills.

"De Ais" have blundered right along. Thousands of dollars have been spent on the streets already and now the citizens are asking to have the work done over again.

What has become of the \$10,000 license money? In the coup, eh? If some of the incompetent councilmen would resign the people would have some hope for an improvement in the management of the borough affairs.

Eight per cent. tax on the proposed loan for new water works means about \$7,000, which must come out of the taxpayers' pocket. This, with the \$10,000 license money, in addition to the regular duplicate, ought to pay the expenses of a good-sized city and leave something to satisfy the people.

The deluded taxpayers who voted to increase the borough debt to build public water works are having their eyes opened. They now see who must pay the bill for the fancy dance of the joint committee and other snap seekers.

Tenants who expect that their rents will be reduced on the introduction of public water works are doomed to disappointment. The rents will remain the same at least, and a water tax must be paid in addition.

Gentlemen of the joint committee, have you counted the cost of your foolishness? Taking the amount due and that will fall due to the water company, the special election expense, and other matters, you will have a nice, round bill on your hands or, rather, on the hands of the poor people.

The HERALD has asked no favors of the Borough Council and all advertising it has received has come unsolicited. Some of the Councilmen are kicking against the bills, but the HERALD proposes collecting them, or know the reason why they shall not be paid.

A large and commodious refrigerator has just been put in the Ready Pay store in order to keep a large stock of butter and eggs in a fresh and sweet condition.
